

OFFICIAL STATEMENT

REGARDING OUR SUPPORT OF HOPE AT HEART

AUGUST 7, 2026

For more than 50 years, Gamez Law Firm has been guided by principles that have never changed: faith, compassion, integrity, and service to our community.

Our founders, Joe A. Gamez and Carmen Gamez, have long believed that success carries with it a responsibility to give back. Those values have shaped not only our law firm, but our family's lifelong commitment to supporting organizations that uplift children, strengthen families, expand educational opportunities, and serve those facing life's greatest challenges.

Our support of Hope at Heart is a reflection of those values.

The families served by Hope at Heart are at the center of this mission. Many have courageously shared their own stories and experiences, speaking not only about the organization, but about the genuine care, compassion, and support they have received.

Their voices speak far more powerfully than speculation ever could.

Any suggestion that our commitment to Hope at Heart is motivated by anything other than a sincere desire to serve our community is simply false. We have never viewed philanthropy as a marketing strategy. We view it as an obligation.

For decades, Gamez Law Firm has quietly invested in the people and organizations that make San Antonio stronger. Whether through scholarships, educational initiatives, charitable partnerships, or direct community service, our commitment has always extended beyond the courtroom.

We will not allow unfounded allegations to overshadow the extraordinary work being done by Hope at Heart and their President, Jason Massiatte, or diminish the courage of the families they serve. Their focus should remain where it belongs: on supporting children battling cancer and the loved ones standing beside them.

We are deeply grateful for the trust our clients and our community have placed in us over the past five decades. We remain steadfast in our commitment to justice, service, and the belief that lifting others is one of the greatest responsibilities we have.
